

LOS MOCHIS

NOTTING HILL

WHERE TOKYO MEETS TULUM

Our philosophy is inspired by blending Mexican spirit with Japanese elegance. Mexican flavours with Japanese techniques are woven into every touchpoint, from the food and drinks to the décor and service.

Our Chefs use the finest, seasonal, and sustainable products from best-in-class artisans creating a menu that is entirely gluten, nut, and celery free. Please let us know if you have any allergies or further dietary requirements and our Chefs will do their best to accommodate.

Community is at the heart of everything we do, and we are particularly proud of our Give Back Programme. For every meal you purchase at Los Mochis, we provide one for the homeless and less fortunate. With your support, in a little over two years, we have provided over 405,000 meals through the Felix Project.
